## Welcome to MODE Fencing's Newsletter

Welcome to the Mode Fencing Newsletter, where we're excited to catch you up on everything we've been up to since our launch! We're incredibly proud of our journey so far and the growth we've achieved as a company, along with the valuable connections we've made along the way.

## Our Journey So Far

Since our launch, Mode Fencing has been on a remarkable journey of innovation and growth. We've worked tirelessly to redefine outdoor spaces with our revolutionary fencing solutions, blending elegance and endurance to create products that stand the test of time.

## Product Recognition

We're thrilled to announce the successful launch of several exciting products that have been incredibly well received by our customers. From the elegant Mode Cheadle Panels and versatile Cheadle Gate Kit to the sleek Aluminium Panels and durable Composite Fence Panels, our offerings have been met with enthusiasm and appreciation.

- In addition to these mainstays, our range also includes decorative Trellis, Gravel Boards, Capping Rails, sturdy Fence Posts, and much more. Each product is designed with a focus on quality, durability, and style, ensuring that our customers have everything they need to transform their outdoor spaces with confidence. We're delighted to see our customers embracing these products and experiencing the benefits they bring to their fencing projects.

# Building Valuable Connections

One of the most rewarding aspects of our journey has been the relationships we've formed with fencing contractors, landscaping professionals, and stockists across the country. These partnerships have been instrumental in our growth, and we're grateful for the opportunity to collaborate with such talented individuals and businesses.

## Bespoke Landscaping and Fencing

## Garden Fencing Essex

It's been a pleasure collaborating with Garden Fencing Essex, who have now expanded their offerings to include MODE Products. If you're in the area, be sure to schedule a visit to their yard in Chelmsford. You'll have the opportunity to explore a wide array of premium panels on display, offering inspiration for your next project.

## Life Landscape and Building Maintenance

Corey from Life Landscape and Building Maintenance worked wonders, using the Mode fence post with the Cheadle Composite Panels in Natural Timber with Mode capping rails, post caps, and cover trims in Brown.

Here's another project showcasing our black Cheadle Panels paired elegantly with black posts and a matching gate frame. It's a striking combination that adds sophistication and style to any outdoor space.

## RJW Landscapes Ltd

Exciting news! We've expanded our reach with a new Mode stockist in Leeds. Check out their impressive show garden, featuring a stylish combination of posts, composite materials, and sleek aluminium fencing.
